CLASSIFICATION TITLE:	Equipment Operator II (EOII)		
NUMBER OF POSITIONS:	TWO (2)		
DEPARTMENT:	ROAD		
AREA OF VACANCY:	BLACKBROOK GARAGE		
RATE OF PAY:	Starting Rate	New Hire 180 Day Rate/ Newly Promoted Rate	Permanent Rate
	\$22.72	\$23.22	\$23.57

POSITION DESCRIPTION:

Operates various construction-related vehicles and diesel trucks to transport tools, materials, equipment and personnel to and from job sites and work locations.

Operates various heavy and complex motorized equipment to maintain roads, bridges, berms, right-of-ways, culverts, drainage ditches, etc. Utilizes various hand and power tools and equipment such as shovel, rake, jack hammer, tampers, weed cutters, cutting torch, chipping spades, air compressor and chain saw to perform a variety of unskilled and semi-skilled manual laboring tasks.

Performs a variety of tasks to maintain and repair roads, bridges, drainage ditches, culverts, traffic control signs and right-of-ways, etc., including cutting brush and limbs, picking up trash and debris, patching and resurfacing roads, cleaning and constructing catch basins, repairing or installing fences and guardrails, sweeping berms, sealing roads, loading and unloading salt and cement bags, etc., cleaning and digging ditches, making, erecting and/or repairing signage, laying pipe, flagging traffic, spreading salt, asphalt and pavement mixes, raking, painting, setting up barricades, replacing traffic lights, etc.

Operates dump truck and snowplow during all snow and ice removal operations. Cleans county vehicles, equipment and facilities as required. Inspects and performs minor maintenance and repair of vehicles and equipment. Reports repair needs.

Receives work orders and instructions related to the tasks to be performed. Completes work assignments in conformance with appropriate safety and work methods, procedures and quality, quantity and timeliness standards. May assist, instruct and/or answer questions from co-workers regarding the work and operation of equipment. Secures adequate materials, supplies, tools, equipment, etc., to complete assigned work. Maintains inventories of equipment, signs, etc., as required.

Performs other duties as required including performing such tasks and operating equipment and vehicles as contained in the position description of lower-rated classifications.

JOB REQUIREMENTS:

Knowledge of and ability and willingness to enforce and conform to work practices, policies, procedures and directives. Ability and willingness to understand and follow oral and written instructions. Considerable knowledge, skill, experience and ability in applying the methods, materials, sequences, procedures, trade practices and techniques related to highway and bridge construction, repair and maintenance. Considerable knowledge of and experience and ability in the use of a variety of construction-related vehicles, hand and power tools, and moderately complex motorized equipment including skill in the manipulation of controls and attachments. Knowledge of and ability to follow safety procedures, practices and regulations. Ability to complete the work to desired quality, quantity and timeliness standards. Ability to work well with others and function as a member of a crew. Ability to assist, instruct and/or answer questions from co-workers amount the work and equipment. Ability to identify and solve minor work-related problems. Ability to work independently. Ability to perform moderate to heavy physical labor on a frequent or continuous basis under varying and occasionally extreme weather and temperature conditions. Ability and willingness to work at other than regular hours and upon short notice. Possession of a valid State of Ohio Commercial Driver's License (Type B), a good driving record, and insurability.
